Gentlemen:

On behalf of Lewis County Youth Enterprise board members and the entire staff at K.V.H., I would like to thank you for your thorough investigation of the allegations that have been made about K.V.H.

It is our sincere desire that your committee findings will put to rest the turmoil that has affected the very existence of K.V.H.

We are all very proud of our commitment to Kiwanis, and are equally proud of our commitment to Kiwanis Vocational Home for Youth.

Sincerely,

Jim Hagen
Pres. L.C.Y.E.
