Re: Mike O'Neal, Assistant Family Teacher, Ziady Home

As I discussed with you Linda Ziady has reported an incident(s) regarding Mike O'Neal. The incident(s) centers around Mike's use of alcohol and controlled substances on the job.

In the past there have been isolated reports concerning the possibility that Mike has been under the influence while on the job. It is my understanding Sean has spoken to Mike regarding these allegations. The more recent reports seem more serious.

Linda reports that while on an outing with the Ziady Family, our clients included, that Mike drank alcohol and used marijuana. She believes these infractions were witnessed by KVH youth. She also states that recently Mike showed up for work and appeared to be under the influence of alcohol and was sent home immediately.

I know these incidents are of great concern to the Ziadys. It is obvious some strong measures must be taken to insure these infractions do not reoccur. I also need some feedback as to whether or not these incidents need to be reported to DCFS Region #6.

Thank you.
