Subject: *Warren Connolly (Potential Abuser)  
Former Director - Toys Village (agent)*

Date: *5-19-75*

*Ed. Board, director of Toys Village called to tell me that Warren Connolly is being charged in Kittitas county with sexual abuse by the County Prosecutor. It is a felony and presumably there will be a full scale trial. I wanted you to know just in case any of the press picked this up. I'll get you details, if you wish*
